

Strategic School Development Planning 2026-2030

Working together to achieve academic excellence and personal potential

4 YEAR OBJECTIVES

1. The vision and values for our school community permeate everything that we do
2. Expert, responsive and inclusive teaching and support inspires students to excel and enjoy their learning journey
3. Leaders at all levels strive for continual improvement, including through robust challenge and support
4. All achievement measures at GCSE and A Level are exceptional
5. DGGS is a culturally rich and diverse community which respects, understands and celebrates our differences within an ethos of shared values
6. DGGS is the first-choice girls' grammar school in the area for Year 7 and Sixth Form entry
7. DGGS proactively engages with collaborative partnerships
8. DGGS continues to be financially secure and improves facilities and resources to support the provision of exceptional education

Working together to achieve academic excellence and personal potential
